Forecast For East of England
Issued by Met Office Exeter
at 1600 on Sunday 22 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Largely dry and fine through the next few days.

This Evening and Tonight:
Any lingering daytime showers slowly dying out to leave a dry second half of the night, with developing clear spells perhaps allowing a few fog patches to form inland. Light winds. Minimum temperature 12 deg C (54 deg F).

Monday:
A rather cloudy start for many, but tending to brighten up, with decent warm sunny spells developing. Breezy for a time in southern coastal districts. Maximum temperature 23 deg C (73 deg F).

Outlook for Tuesday to Thursday:
Fine but cool through this period, with light onshore winds perhaps giving cloudy mornings, although sunny spells should break through. Cloudier and breezier with a little light rain on Thursday.
